## PREFACE

This is the eighth edition of the List of Judges of the Magistrate's Court and is published as a service to the men and women of South Carolina who serve as judges in what has been called the people's court.

This year's Guide for Magistrates will maintain the same formatting as the 1986 Guide for Magistrates, using county codes and judge codes. Each county has a code located to the right of the county heading; the judge code is found in the left margin adjacent to each judge entry; all counties are listed alphabetically; and each magistrate is listed alphabetically within their respective county. Every effort has been made to make sure that the information in this publication is accurate, current, and easily followed.

My personal thanks to the each Magistrate and Court Administration for supplying us with the necessary information, and to Ms. Elizabeth McDermott who put it all in final form.

Henry Ray Wengrow
